

AACT Championships Rules of Competition

1. All competition is carried out in accordance with the current IAAF and/or IPC Rules of Competition except as specifically varied by Athletics ACT (AACT) rules.

Entry

2. Entry to AACT Championship events is open to all athletes registered and financial for the current season with:
 - AACT, either directly or through an affiliated Club;
 - A Club affiliated with another State/Territory association that is, itself, affiliated with Athletics Australia; or
 - An overseas nation that has affiliation with the IAAF
3. Entry to each AACT Championship event/s will be by an On-Line Entry system. Athletes without internet access or credit card should contact Athletics ACT for an alternative method of entry.
4. When entering an AACT Championship event/s, athletes are required to enter a 'season best' performance (or estimate of) for each event. For track events, this performance will affect the seeded heat, lane or timed final that the athlete will be placed in. For events with timed finals, athletes may be required to verify their date of submitted performance.
5. After the close of entries, a final programme of events will be made available on the AACT website. For Championship events that involve heats and finals at the time of publication of the programme of events, if the final field after the close of check-in is only sufficient to support a single heat, the event will be run as a straight Final at the time scheduled for the Heats.
6. All entries with accompanying payment must be submitted by Monday 1 February 2016 at 5pm. There will be no late entries accepted, regardless of circumstance.
7. Entry fees are non-refundable, regardless of circumstance.

Age Groups

8. Events will be conducted in the Under 14, Under 16, Under 18, Under 20 and Open age group, with age groups determined by age of the athlete on 31 December 2016. For example, if an athlete is 15 years old and does not turn 16 until after the 31st December 2016, he will be competing in the Under 16 age group.

9. An athlete can NOT compete in more than one age group in the same field event. Athletes who wish to compete up in age may do so but they are not then eligible to compete in their own or any other age group. For example, an Under 16 years boy may compete in the Under 18 years Discus but can NOT also compete in the Under 16 years Discus. Additionally, in throws events, an athlete may only compete up to the next age group, for example, an Under 14 years girl may compete in the Under 16 years Shot Put but NOT the Under 20 years Shot Put.
