

2019 Athletics ACT High Noon Winter Series - Nomination and Rostering

Welcome to the nominations for the Athletics ACT High Noon Winter Series events June 2nd through to July 28th 2019.

The events listed hold permit status and are organised by AACT. A separate nomination form or rostering system will be used for the school carnivals and School Sport ACT events.

If you are interested in officiating at an event but are also involved as a participant or your child is competing, please select 'yes' and we can make arrangements around timing, closer to the event.

Officials who nominate for an event will be appointed, unless in certain circumstances. All appointed officials will be notified via email, along with the appointments being uploaded onto the website here.

Please note that the times below are an approximation and may change. For the long days, particularly when two events are combined, a break between the sessions will be provided.

Nominations for events from June 2nd through to July 28th 2019 will close on Friday May 31st 2019. If after this time you wish to make amendments to your nomination please contact eo.act@athletics.org.au.

If you have questions or concerns please feel free to contact me

Thanks,

James Kaan
