

ACT ATHLETICS RECORDS

25 May 2017

Application for Record

In the event of a record being equalled or broken, it is the responsibility of the athlete to apply to the AACT Records Officer for such a record claim.

Application for a record must be lodged with the Association within six months of the date of the performance. Such applications must be on the prescribed form and be supported by such additional documentation that may be required to validate the application. The application will lapse if any additional documentation requested is not received within six months of the date of the performance considered, or with seven days of the request if the six month period has lapsed.

Record Types

ACT All Comers records may be set by any registered athlete worldwide while competing in the ACT.

ACT Resident records can only be set by ACT registered athletes whilst competing at any accredited meet worldwide.
